We cordially invite you and your friends to the opening of the exhibition on Saturday, February 18, 2023, at 11:00 a.m.

#### Alexandra Weidmann

Alexandra Weidmann, who comes from southern Germany, came to Berlin (West) in the early 1980s, where she successfully completed her computer science studies at the Technical University of Berlin. After working as a research assistant at the TU and FU Berlin, she decided to make painting, which she had loved and practiced since childhood, her main profession.

Since then she has been working as a freelance painter in Berlin and in Ostprignitz, interrupted by lengthy work stays in Argentina, India, Istanbul and Switzerland. Her works are now shown nationally and internationally.
